Doctor's Schedule

17 JAN 2025 | Workshop/Pre-congress (Onsite-Online) Room B: Doctor/PT

TIME	TOPIC	LECTURER
9:00 - 9:30	How to select an appropriate reperfusion candidate: IVT	Assoc. Prof. Yongchai Niamont Faculty of Medicine, Mahidol University, Thailand
9:30 - 10:00	Brain and heart: when cardioembolic stroke happen. How to know? What to do?	Lecturer: Japha Pongmangrat Siriraj Pyamahajakul Hospital, Thailand
10:00 - 10:30	The hemorrhagic stroke causes: What to know and how to treat	Lecturer: Songkarn Chok-achit Faculty of Medicine, Mahidol University, Thailand
10:30 - 10:45	Refreshment Break	
10:45 - 11:15	The antiplatelets regimens in acute stroke and stroke prevention: The evidence and how to choose?	Lecturer: Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand
11:15 - 11:45	Stroke chameleons and mimics: the practical points	Lecturer: Adisorn Chokestapanant Faculty of Medicine, Mahidol University, Thailand
11:45 - 12:35	Tenecteplase: Leading with Excellent in Thrombolysis in Acute Ischemic Stroke (Symposium #1) <i>Sponsored By Boehringer Ingelheim (Tha) Ltd.</i>	Assoc. Prof. Yongchai Niamont Faculty of Medicine, Mahidol University, Thailand
12:35 - 13:25	SOMATOM: Bringing critical care imaging to your patient Artis Luma: A state-of-art in Neuro Intervention (Symposium #2) <i>Sponsored By Siemens Healthineers</i>	To be confirmed
13:25 - 15:15	Workshop/Pre-congress (Onsite) Room A	

WORKSHOP: Lecture + Hand-on/Demonstration **ONSITE ONLY**

ROUND 1 | 13.25 - 14.25

Station A	Station B	Station C	Station D
Acute stroke on the board: Top 5 stroke cases on the call Stroke triage call: tips to know	Fast Stroke exam: NIHSS Top 5: The evidence The indication/contraindication and concerns Preparation and tips before giving (P/A/TNK)	Post reperfusion acute stroke care	Stroke evaluation and rehab initiation early rehab/evaluation assessment
Lecturer			
Shitpun Changsri (MD) St Saket Hospital, Thailand	Kosit Tangthongchaisawat (MD) Nakhon Phanom Hospital, Thailand	Piwan Tangthongchaisawat (MD) Srinakharinwirot Hospital, Thailand	Asst. Prof. Pridanont Tanvijit (PhD), Miss Ratchanon Boonpraditkarn (OT) Siriraj Hospital, Mahidol University, Thailand
Ms. Watsiraporn Tangsri (MD) Siriraj Hospital, Mahidol University, Thailand	Ms. Niran Nuchkanya (MD) Maha Vajiravudh Hospital, Thailand	Mananachaya Kongmuang (PhD) Siriraj Hospital, Mahidol University, Thailand	Asst. Prof. Dr. Paganas Pinyasarn (PT) Faculty of Physical Therapy, Mahidol University, Thailand

ROUND 2 | 14.45 - 15.15

Station A	Station B
Acute stroke imaging on the run what to look for to make our decision	Counseling tips: transition to home, practical home care To prepare and how to deal
Lecturer	
Harat No Nakhon Phanom (MD) That Phanom Crown Prince Hospital, Nakhon Phanom, Thailand	Ms. Jiraporn Pookkarn (NB) Siriraj Hospital, Mahidol University
Pongthorn Jongsompan (MD) Siriraj Hospital, Mahidol University, Thailand	Asst. Prof. Dr. Sorncha Uthachanon (PhD) Faculty of Physical Therapy, Mahidol University, Thailand

18 JAN 2025 | Main Congress (Onsite-Online) Room B: Doctor

TIME	TOPIC	LECTURER
8:30 - 8:40	Symposium #3 <i>Sponsored By BSH Medical Co. Ltd.</i>	
8:40 - 9:20	Moving towards the thrombolysis in new ERA: expand the indications and current evidence of TNK.	Prof. Bigg Moron University of Calgary, Canada
9:20 - 10:00	Mechanical thrombectomy: What stroke practitioner should know	Asst. Prof. Paitanawit Withayasuk Faculty of Medicine, Mahidol University, Thailand
10:00 - 10:40	Large core stroke: current evidence for reperfusion	Prof. Bruce Campbell University of Melbourne, Australia
10:40 - 10:55	Refreshment Break	
10:55 - 11:35	Current treatment for cerebral venous thrombotic role of DOACs and intervention	Prof. Gustavo Sepinski University of Toronto, Canada
11:35 - 12:25	Long-term use of dual antiplatelet therapy and case sharing (Symposium #4) + Update in long-term use of dual antiplatelet therapy from the new Thai Stroke Guideline + Interesting cases sharing with long-term dual antiplatelets therapy <i>Sponsored By Thai Otsuka Pharmaceutical Co. Ltd.</i>	Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Kosit Tangthongchaisawat Nakhon Phanom Hospital, Thailand
12:25 - 13:15	Start Right NOAC to Stay Confident in Stroke-AF patients (Symposium #5) <i>Sponsored By Daiichi-Sankyo (Thailand)</i>	Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Assoc. Prof. Jiraporn Chantakul Faculty of Medicine, Chulalongkorn University, Thailand
13:15 - 13:55	The future of prehospital acute stroke care	Dr. Li Archana Pangma Secretary-General of the National Institute for Emergency Medicine (NDEM)
13:55 - 14:25	Blood pressure management in ICH	Dr. Henry Zhao University of Melbourne, Australia
14:25 - 14:55	Update in hemorrhagic stroke: from surgical perspective	Asst. Prof. Intira Khamphit Faculty of Medicine, Mahidol University, Thailand
14:55 - 15:05	Refreshment Break	
15:05 - 15:45	Acute stroke imaging and the implication of advance imaging in clinical practice	Assoc. Prof. Rapol Chiewan Faculty of Medicine, Mahidol University, Thailand

19 JAN 2025 | Main Congress (Onsite-Online) Room A: Doctor/Nurse/PT

TIME	TOPIC	LECTURER
8:30 - 9:10	The stroke service in Northeast Thailand: From hospital node to comprehensive center: current status and the future	Prof. Somchai Tienkum Faculty of Medicine, Khon Kaen University
9:10 - 9:50	Blood pressure management in acute ischemic stroke and antihypertensive medication initiation	Lecturer: Chavale Chomnangnue Faculty of Medicine, Mahidol University, Thailand
9:50 - 10:00	Refreshment Break	
10:00 - 10:40	The stroke comorbidities and current treatment concept: diabetes, dyslipidemia	Prof. Apradee Suvijitkarn Faculty of Medicine, Mahidol University, Thailand
10:40 - 10:55	Closing remarks	Assoc. Prof. Yongchai Niamont Faculty of Medicine, Mahidol University, Thailand
10:55 - 11:10	Conference certification pickup	
11:10	End conference	

สามารถลงทะเบียน
ติดต่อสอบถาม 02-419-7164, 02-414-1010 อ. - ศ. 13:30 - 16:00 น.

Nurse's Schedule

17 JAN 2025 | Workshop/Pre-congress (Onsite-Online)
Room C: Nurse

TIME	TOPIC	LECTURER
9:00 - 9:30	Stroke Triage: who to suspected and challenges	Ms. Niraya Notomyee (NR) Ms. Watayaporn Pongtong (NR) Siriraj Hospital, Thailand
9:30 - 10:00	The role of stroke nurse: experience and sharing	Ms. Jiraporn Pookham (NR) Ms. Nongnapan Hianshayangson (NR) Siriraj Hospital, Thailand
10:00 - 10:30	Setting a stroke workflow: from ER to stroke unit and the challenging of in-hospital stroke	Ms. Mananchaya Kongmuangpuk (NR) Siriraj Hospital, Thailand
10:30 - 10:45	Refreshment Break	
10:45 - 11:15	Comprehensive holistic health assessment for stroke patient	Asst. Prof. Saunya Kositamangkool (NR) Faculty of Nursing, Mahidol University, Thailand Ms. Rapsa Pakkiasong (NR) Siriraj Hospital, Thailand
11:15 - 11:45	Stroke KPI: why and how	Ms. Watayaporn Pongtong (NR) Ms. Mananchaya Kongmuangpuk (NR) Siriraj Hospital, Thailand
11:45 - 12:35	Tenecteplase: Leading with Excellent in Thrombolysis in Acute Ischemic Stroke (Symposium #1) <i>Sponsored By Boehringer Ingelheim (Thai) Ltd</i>	Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
12:35 - 13:25	SOMATOM: Bringing critical care imaging to your patient Artis Icona: A state-of-art in Neuro Intervention (Symposium #2) <i>Sponsored By Siemens Healthineers</i>	To be confirmed
13:25 - 15:15	Workshop/Pre-congress (Onsite) Room A	

WORKSHOP: Lecture + Hand-on/Demonstration ON SITE ONLY

ROUND 1 | 13:25 - 14:25

Station A	Station B	Station C	Station D
Acute stroke on the board Upstroke survival on the call Stroke triage call tips to know	Fast Stroke exam NIRS Tips & Troubleshooting The indication/contraindication and concerns Preparation and tips before giving (IPA/TNK)	Post reperfusion acute stroke care	Stroke evaluation and rehab indication: early rehab/swallowing assessment
Lecturer			
Shitikan Chaisong (MD) Si Saket Hospital, Thailand Ms. Watayaporn Pongtong (NR) Siriraj Hospital, Mahidol University, Thailand	Kiat Tangthamkongsawat (MD) Nakhon Phanom Hospital, Thailand Ms. Niraya Notomyee (NR) Siriraj Hospital, Mahidol University, Thailand	Puan Tangthamkongsawat (MD) Surasitpattana Hospital, Thailand Ms. Mananchaya Kongmuangpuk (NR) Siriraj Hospital, Mahidol University, Thailand	Asst. Prof. Phakorn Tanjig (PhD) Miss Rawdhornt Boonphakwong (DT) Siriraj Hospital, Mahidol University, Thailand Asst. Prof. Dr. Jiraporn Niyasaporn (PT) Faculty of Physical Therapy, Mahidol University, Thailand

ROUND 2 | 14:45 - 15:15

Station A	Station B
Acute stroke imaging on the run what to look for to make our decision	Counselling tips: transition to home, practical home care To prepare and how to deal
Lecturer	
Assoc. Prof. Nakhorn Phansom (MD) That Phrom Crown Prince Hospital, Nakhon Phanom, Thailand Pongphorn Anonwong (MD) Siriraj Hospital, Mahidol University, Thailand	Ms. Jiraporn Pookham (NR) Siriraj Hospital, Mahidol University, Thailand Asst. Prof. Dr. Suwanna Khasanont (PT) Faculty of Physical Therapy, Mahidol University, Thailand

18 JAN 2025 | Main Congress (Onsite-Online)
Room C: Nurse

TIME	TOPIC	LECTURER
8:30 - 8:40	Symposium #3 <i>Sponsored By BPH Medical Co. Ltd</i>	
8:40 - 9:20	MSU nurse on the board: The challenging	Ms. Watayaporn Pongtong (NR) Ms. Niraya Notomyee (NR) Siriraj Hospital, Thailand
9:20 - 10:00	Endovascular treatment for ischemic stroke: Experience from Anglo suit	Ms. Sawanee Homsud (NR) Siriraj Hospital, Thailand
10:00 - 10:40	Integrate nursing care in comprehensive stroke unit: AIS and ICH	Ms. Nongnapan Hianshayangson (NR)/Ms. Mananchaya Kongmuangpuk (NR) Siriraj Hospital, Thailand
10:40 - 10:55	Refreshment Break	
10:55 - 11:35	Common medications and what administrator should know	Lecturer: Kritaya Worrasarakul Ms. Jiraporn Pookham (NR) Siriraj Hospital, Thailand
11:35 - 12:25	Long-term use of dual antiplatelet therapy and case sharing (Symposium #4) • Update in long-term use of dual antiplatelets therapy from the new Thai Stroke Guideline • Interesting cases sharing with long-term dual antiplatelets therapy <i>Sponsored By Thai Otsuka Pharmaceutical Co. Ltd</i>	Chitapa Kavatra Faculty of Medicine, Mahidol University, Thailand Kiat Tangthamkongsawat Nakhon Phanom Hospital, Thailand Moderator: Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
12:25 - 13:15	Start Right NOAC to Stay Confident in Stroke-AF patients (Symposium #5) <i>Sponsored By Daiichi-Sankyo (Thailand)</i>	Chitapa Kavatra Faculty of Medicine, Mahidol University, Thailand Assoc. Prof. Jiraporn Chaitan Faculty of Medicine, Chulalongkorn University, Thailand Moderator: Jitphasa Pongpragat Siriraj Piyamaharakun Hospital, Thailand
13:15 - 13:55	Roadmap for future stroke care: The nurse leaders' perspective	Assoc. Prof. Wanpet Phipasakul (NR) Ms. Ketanathorn Boonphakwong (NR) Siriraj Hospital, Thailand
13:55 - 14:35	Setting up stroke prevention clinic: the support of stroke care	Ms. Jiraporn Pookham (NR) Ms. Puchaya Sonwan (NR)
14:35 - 14:50	Refreshment Break	
14:50 - 15:30	Long-term care: a life with stroke: role of home care	Ms. Araya Tapprak (NR) Ms. Mananchaya Kongmuangpuk (NR) Siriraj Hospital, Thailand

19 JAN 2025 | Main Congress (Onsite-Online)
Room A: Doctor/Nurse/PT

TIME	TOPIC	LECTURER
8:30 - 9:10	The stroke service in Northeast Thailand: From hospital needs to comprehensive center, current status and the future.	Prof. Somak Teekap Faculty of Medicine, Khon Kaen University
9:10 - 9:50	Blood pressure management in acute ischemic stroke and antihypertensive medication initiation	Lecturer: Chavalli Chaitungnapha Faculty of Medicine, Mahidol University, Thailand
9:50 - 10:00	Refreshment Break	
10:00 - 10:40	The stroke comorbidities and current treatment concept: diabetes, dyslipidemia	Prof. Apiradee Siwijitkamol Faculty of Medicine, Mahidol University, Thailand
10:40 - 10:55	Closing remarks	Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
10:55 - 11:10	Conference certification pickup	
11:10	End conference

TOWARDS THE FUTURE IN STROKE CARE COLLABORATIONS

The 8th Siriraj Stroke Conference

17 - 19 มกราคม 2568 ณ โรงแรมเวลาดี จังหวัดนครพนม

18 JAN 2025 | Main Congress (Onsite-Online) Room D: PM&R/PT

TIME	TOPIC	LECTURER
8:30 - 8:40	Symposium #3 <i>Sponsored By BJI Medical Co.Ltd.</i>	
8:40 - 9:40	- Stroke rehabilitation model care: acute, rehabilitation and community phase (20 mins) - Rehabilitation in acute stroke phase (20 mins) - Nurse care in acute stroke (20 mins)	Assoc. Prof. Wilasit Kuntornpit, MD Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand Assoc. Prof. Dr. Vimonwan Hongkiew, PT Faculty of Physical Therapy, Mahidol University, Thailand Marasheera Kongmuangpak, NR stroke unit Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand
9:40 - 10:40	IMC model: Luangphaphum hospital, Nakhon Pathom (20 mins) IMC model: Thakhantho hospital, Kalasin (20 mins) IMC model: Nongkhai Hospital (20 mins)	Ms. Vichayana Tulawong, PT Chief of Rehabilitation unit, Luangphaphum hospital, Nakhon Pathom Ms. Manthida Thansuchan, PT Chief of Physiotherapy and Chinese medicine unit, Thakhantho hospital, Kalasin Warawittha Tangkiewanich, M.D. Chief of Rehabilitation department, Nongkhai Hospital, Thailand
10:40 - 10:55	Refreshment Break	
10:55 - 11:35	Panel discussion: (40mins) - IMC model: Luangphaphum hospital, Nakhon Pathom - IMC model: Thakhantho hospital, Kalasin - IMC model: Nongkhai Hospital	Ms. Vichayana Tulawong, PT Chief of Rehabilitation unit, Luangphaphum hospital, Nakhon Pathom Ms. Manthida Thansuchan, PT Chief of Physiotherapy and Chinese medicine unit, Thakhantho hospital, Kalasin Warawittha Tangkiewanich, M.D. Chief of Rehabilitation department, Nongkhai Hospital, Thailand Ms. Nithaya Onsilakul, PT Luangphaphum hospital, Nakhon Pathom Assoc. Prof. Dr. Vimonwan Hongkiew, PT Faculty of Physical Therapy, Mahidol University, Thailand
11:35 - 12:25	Long-term use of dual antiplatelet therapy and case sharing (Symposium #4) - Update to long-term use of dual antiplatelet therapy from the new Thai Stroke Guidelines - Interesting cases sharing with long-term dual antiplatelet therapy <i>Sponsored By Thai Osaka Pharmaceutical Co. Ltd</i>	Chirapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Assoc. Prof. Yongsak Niranont Faculty of Medicine, Chulalongkorn University, Thailand Moderator: Assoc. Prof. Yongsak Niranont Faculty of Medicine, Mahidol University, Thailand
12:25 - 13:15	Start Right NOAC to Stay Confident in Stroke-AF patients (Symposium #5) <i>Sponsored By Daiichi-Sankyo (Thailand)</i>	Chirapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Assoc. Prof. Asuruma Chaisri Faculty of Medicine, Chulalongkorn University, Thailand Moderator: Japha Sengprachaisri Siriraj Piyamahajarakun Hospital, Thailand
13:15 - 14:35	Community rehabilitation and long-term care - Home health care: Luangphaphum hospital (20 mins) - Home health care: Bangkok (20 mins) - Nursing home (20 mins) - Q&A (20 mins)	Mrs. Nithaya Onsilakul, PT Luangphaphum hospital, Nakhon Pathom Assoc. Prof. Dr. Vimonwan Hongkiew, PT Faculty of Physical Therapy, Mahidol University, Thailand Dr. Sirirat Turpichai, Pharmacist Kasik Health Care Nursing Home (MC: Assoc. Prof. Dr. Vimonwan Hongkiew, PT Faculty of Physical Therapy, Mahidol University, Thailand)
14:35 - 14:50	Refreshment Break	
14:50 - 15:30	Stroke rehabilitation accessibility and tele-rehabilitation: PM&R / PT / OT / Speech	Assoc. Prof. Phakornchai Tanjaj, M.D. Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand Mrs. Malisa Maneevong, PT Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand Ms. Suchatam Panchakulchai, OT Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand Ms. Chiraporn Maneepon, Speech-language pathologist (VDO presentation) Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand

17 JAN 2025 | Workshop/Pre-congress (Onsite-Online) Room B: Doctor/PT

TIME	TOPIC	LECTURER
9:00 - 9:30	How to select an appropriate reperfusion candidate: IVT	Assoc. Prof. Yongsak Niranont Faculty of Medicine, Mahidol University, Thailand
9:30 - 10:00	Brain and Heart: when cardiometabolic stroke happens How to know? What to do?	Lecturer: Japha Sengprachaisri Siriraj Piyamahajarakun Hospital, Thailand
10:00 - 10:30	The hemorrhagic stroke causes: What to know and how to find	Lecturer: Songkarn Chok-anutai Faculty of Medicine, Mahidol University, Thailand
10:30 - 10:45	Refreshment Break	
10:45 - 11:15	The antiplatelet regime in acute stroke and stroke prevention: The evidence and how to choose?	Lecturer: Chirapa Kaveeta Faculty of Medicine, Mahidol University, Thailand
11:15 - 11:45	Stroke chameleons and mimics: the practical points	Lecturer: Krasim Chotemrattawat Faculty of Medicine, Mahidol University, Thailand
11:45 - 12:35	Tenecteplase: Leading with Excellent in Thrombolysis in Acute Ischemic Stroke (Symposium #1) <i>Sponsored By Boehringer Ingelheim (Thai) Ltd</i>	Assoc. Prof. Yongsak Niranont Faculty of Medicine, Mahidol University, Thailand
12:35 - 13:25	SDMATOM: Bridging critical care imaging to your patient Arts legacy: A state-of-art in Neuro Intervention (Symposium #2) <i>Sponsored By Siemens Healthineers</i>	To be confirmed
13:25 - 15:15	Workshop/Pre-congress (Onsite) Room A	

WORKSHOP: Lecture + Hand-on/Demonstration ONSITE ONLY

ROUND 1 | 13.25 - 14.25

Station A	Station B	Station C	Station D
Acute stroke on the board: Spokefish protocol on the call. Stroke triage call tips to know	Fast Stroke exam: NIRS tips & Thrombolysis: The information/contraindication and concerns. Preparation and tips before giving tPA/tNK	Post reperfusion acute stroke care	Stroke evaluation and rehab selection: early rehab/allowing assessment
Lecturer: Woraporn Changsri (MD) Si Saket Hospital, Thailand Ms. Wollaporn Pongpang (PT) Siriraj Hospital, Mahidol University, Thailand Assoc. Prof. Yongsak Niranont (MD) Nakhon Phanom Hospital, Thailand Ms. Niranont Niranont (MD) Siriraj Hospital, Mahidol University, Thailand Pran Tangthaisri (MD) Surasiddhichulalongkorn Hospital, Thailand Manuchaya Kongmuangpak (MD) Siriraj Hospital, Mahidol University, Thailand Assoc. Prof. Nithaya Tanjaj (PhD) Miss Swasthorm (Surasiddhichulalongkorn) (OT) Siriraj Hospital, Mahidol University, Thailand Assoc. Prof. Dr. Pongpang Pongpang (PT) Faculty of Physical Therapy, Mahidol University, Thailand			

ROUND 2 | 14.45 - 15.15

Station A	Station B
Acute stroke imaging on the run: what to look for to make our decision	Counseling tips: transition to home, practical home care. To prepare and how to deal
Lecturer: Assoc. Prof. Nakhon Phanom (MD) Tham Phrom Crown Prince Hospital, Nakhon Phanom, Thailand Pongpang Pongpang (MD) Siriraj Hospital, Mahidol University, Thailand Ms. Niranont Niranont (MD) Siriraj Hospital, Mahidol University, Thailand Assoc. Prof. Nithaya Tanjaj (PhD) Miss Swasthorm (Surasiddhichulalongkorn) (OT) Siriraj Hospital, Mahidol University, Thailand	

19 JAN 2025 | Main Congress (Onsite-Online) Room A: Doctor/Nurse/PT

TIME	TOPIC	LECTURER
8:30 - 9:10	The stroke service in Northeast Thailand: From hospital node to comprehensive center: current status and the future.	Prof. Somak Tiamkao Faculty of Medicine, Khon Kaen University
9:10 - 9:50	Blood pressure management in acute ischemic stroke and antihypertensive medication initiation	Lecturer: Chawalit Chotnangnopa Faculty of Medicine, Mahidol University, Thailand
9:50 - 10:00	Refreshment Break	
10:00 - 10:40	The stroke comorbidities and current treatment concept: diabetes, dyslipidemia.	Prof. Apreelee Sritrakul Faculty of Medicine, Mahidol University, Thailand
10:40 - 10:55	Closing remarks	Assoc. Prof. Yongsak Niranont Faculty of Medicine, Mahidol University, Thailand
10:55 - 11:10	Conference certification pickup	
11:10	End conference	

อัตราค่าลงทะเบียน

	ONSITE	ONLINE
แพทย์	2,500* บาท	1,500 บาท
พยาบาล	1,000* บาท	800 บาท
กายนพทย์/นัก	1,000* บาท	800 บาท

*ค่าลงทะเบียนผู้เข้าร่วมอบรมเกิน 500 คน MSU-SOS (ค่าลงทะเบียนเพิ่มเติมเพียง 800 บาท)

สามารถจองล่วงหน้าได้ก่อน PTCEU ได้

อัตราค่าลงทะเบียนรวม VDO ครอบคลุม On-demand อบรม & บริการเสริม VDO อบรม

1.3 รายละเอียดการประชุมประชาสัมพันธ์สำหรับผู้สนใจเข้าร่วมประชุมวิชาการ

ศูนย์โรคหลอดเลือดสมองศิริราช ขอเชิญแพทย์ พยาบาล นักกายภาพบำบัด และผู้สนใจทุกท่าน
เข้าร่วมประชุมวิชาการ ด้านโรคหลอดเลือดสมอง

 ในงาน The 8th Siriraj Stroke Conference ภายใต้หัวข้อ "TOWARDS THE FUTURE IN STROKE CARE
COLLABORATIONS"

วันที่ 17 - 19 มกราคม 2568

โดยการประชุมแบ่งออกเป็น 2 รูปแบบ ได้แก่

1. Onsite ณ โรงแรมเวลาคี จังหวัดนครพนม

2. Online - Zoom Meeting

อัตราค่าลงทะเบียน แบ่งเป็น

Onsite

- แพทย์ 2,500 บาท

- พยาบาล/นักกายภาพบำบัด 1,000 บาท

(***พิเศษ! สำหรับผู้เข้าร่วมอบรมปฏิบัติการ MSU-SOS ด้วย ค่าลงทะเบียนเพียง 800 บ.***)

Online

- แพทย์ 1,500 บาท

- พยาบาล/นักกายภาพบำบัด 800 บาท

(***ค่าสมัครไม่รวมค่าที่พัก และ ค่าเดินทาง***)

 ลงทะเบียนได้ที่ <https://forms.gle/aAUhKNa6pQ6Z87G19>

 ดู Schedule การอบรมได้ที่

https://drive.google.com/drive/folders/1w6rc861zZ9908oGmIUc_kMg8eygHobxo?usp=sharing

 ตั้งแต่วันนี้ - 10 มกราคม 2568 เวลา 23.59 น.

 อัตราค่าลงทะเบียน รวม VDO การอบรมย้อนหลังในระบบ On-demand ภายใน 6 เดือนหลังการนำVDO เข้าใน
ระบบ

สนใจสมัครหรือติดต่อสอบถามได้ที่

 คุณกนกกาญจน์ วงศ์มยุรฉัตร 02-419-7164, 02-414-1010 (จ. - ศ. เวลา 08.30 - 16.00 น.)

TOWARDS THE FUTURE IN STROKE CARE COLLABORATIONS

The 8th Siriraj Stroke Conference

17 - 19 มกราคม 2568 ณ โรงแรมเวลادی จังหวัดนครพนม

17 JAN 2025 | Workshop/Pre-congress (Onsite-Online)
Room B: Doctor/PT

TIME	TOPIC	LECTURER
9:00 - 9:30	How to select an appropriate reperfusion candidate: IVT	Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
9:30 - 10:00	Brain and Heart: when cardioembolic stroke happen. How to know? What to do?	Lecturer Jitphapa Pongmoragot Siriraj Piyamaharajkarun Hospital, Thailand
10:00 - 10:30	The hemorrhagic stroke causes: What to know and how to find	Lecturer Songkram Chotik-anuchit Faculty of Medicine, Mahidol University, Thailand
10:30 - 10:45	Refreshment Break	
10:45 - 11:15	The antiplatelets regimens in acute stroke and stroke prevention: The evidence and how to choose?	Lecturer Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand
11:15 - 11:45	Stroke chameleons and mimics: the practical points	Lecturer Jutakarn Choterattanasiri Faculty of Medicine, Mahidol University, Thailand
11:45 - 12:35	Tenecteplase: Leading with Excellent in Thrombolysis in Acute Ischemic Stroke (Symposium #1) <i>Sponsored By Boehringer Ingelheim (Thai) Ltd.</i>	Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
12:35 - 13:25	SOMATOM: Bringing critical care imaging to your patient Artis Icono: A state-of-art in Neuro Intervention (Symposium #2) <i>Sponsored By Siemens Healthineers</i>	To be confirmed
13:25 - 15:15	Workshop/Pre-congress (Onsite) Room A	

WORKSHOP: Lecture + Hand-on/Demonstration ONSITE ONLY

ROUND 1 | 13.25 - 14.25

Station A	Station B	Station C	Station D
Acute stroke on the board: tips/tricks survival on the call Stroke triage call: tips to know	Fast Stroke exam NIHSS tips & Thrombolysis: The indication/contraindication and concerns. Preparation and tips before giving (tPA/TNK)	Post reperfusion acute stroke care	Stroke evaluation and rehab initiation: early rehab/swallowing assessment
Lecturer			
Shittipon Changprong (MD) Si Saket Hospital, Thailand Ms. Waiyaporn Pengtong (NR) Siriraj Hospital, Mahidol University, Thailand	Kosik Tangthamrongthanasawat (MD) Nakhorn Phanom hospital, Thailand Ms. Niraya Noitanyae (NR) Siriraj Hospital, Mahidol University, Thailand	Pisan Tangketmookde (MD) Sunpasitpirasong Hospital, Thailand Mananchaya Kongmuanpuk (NR) Siriraj Hospital, Mahidol University, Thailand	Asst. Prof. Phakamas Tanvijit (PM&R), Miss Rawibhorn Bowornpitakwong (OT) Siriraj Hospital, Mahidol University, Thailand Asst. Prof. Dr. Pagamas Priyaprasarth (PT) Faculty of Physical Therapy, Mahidol University, Thailand

ROUND 2 | 14.45 - 15.15

Station A	Station B
Acute stroke imaging on the run what to look for to make our decision	Lecturer Hatairat Na Nakhorn Phanom (MD) That Phanom Crown Prince Hospital, Nakhorn Phanom, Thailand Pongsathorn Ampornjarut (MD) Siriraj Hospital, Mahidol University, Thailand
Counselling tips: transition to home, practical home care. To prepare and how to deal	Lecturer Ms. Jiraporn Pookham (NR) Siriraj Hospital, Mahidol University Asst. Prof. Dr. Suweena Khachareon (PT) Faculty of Physical Therapy, Mahidol University, Thailand

18 JAN 2025 | Main Congress (Onsite-Online)
Room B: Doctor

TIME	TOPIC	LECTURER
8:30 - 8:40	Symposium #3 <i>Sponsored By BJH Medical Co., Ltd.</i>	
8:40 - 9:20	Moving towards thrombolytic in new ERA: expand the indications and current evidence of TNK.	Prof. Bijoy Menon University of Calgary, Canada
9:20 - 10:00	Mechanical thrombectomy: What stroke practitioner should know.	Asst. Prof. Pattarawit Withayasuk Faculty of Medicine, Mahidol University, Thailand
10:00 - 10:40	Large core stroke: current evidence for reperfusion	Prof. Bruce Campbell University of Melbourne, Australia
10:40 - 10:55	Refreshment Break	
10:55 - 11:35	Current treatment for cerebral venous thrombosis: role of DOACs and intervention	Prof. Gustavo Saposnik University of Toronto, Canada
11:35 - 12:25	Long-term use of dual antiplatelet therapy and case sharing (Symposium #4) • Update in long-term use of dual antiplatelets therapy from the new Thai Stroke Guideline • Interesting cases sharing with long-term dual antiplatelets therapy <i>Sponsored By Thai Otsuka Pharmaceutical Co. Ltd</i>	Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Kosik Tangthamrongthanasawat Nakhonphanom Hospital, Thailand Moderator: Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
12:25 - 13:15	Start Right NOAC to Stay Confident in Stroke-AF patients (Symposium #5) <i>Sponsored By Daiichi-Sankyo (Thailand)</i>	Chitapa Kaveeta Faculty of Medicine, Mahidol University, Thailand Assoc. Prof. Aurasma Chutinet Faculty of Medicine, Chulalongkorn University, Thailand Moderator: Jitphapa Pongmoragot Siriraj Piyamaharajkarun Hospital, Thailand
13:15 - 13:55	The future of prehospital acute stroke care	Flt. Lt. Atchariya Pangma Secretary-General of the National Institute for Emergency Medicine (NIEM)
13:55 - 14:25	Blood pressure management in ICH	Dr. Henry Zhao University of Melbourne, Australia
14:25 - 14:55	Update in hemorrhagic stroke: from surgical perspective	Asst. Prof. Intirha Khampalikit Faculty of Medicine, Mahidol University, Thailand
14:55 - 15:05	Refreshment Break	
15:05 - 15:45	Acute stroke imaging and the implication of advance imaging in clinical practice	Assoc. Prof. Pipat Chiewvit Faculty of Medicine, Mahidol University, Thailand

19 JAN 2025 | Main Congress (Onsite-Online)
Room A: Doctor/Nurse/PT

TIME	TOPIC	LECTURER
8:30 - 9:10	The stroke service in Northeast Thailand: From hospital node to comprehensive center; current status and the future	Prof. Somsak Tiamkao Faculty of Medicine, Khon Kaen University
9:10 - 9:50	Blood pressure management in acute ischemic stroke and antihypertensive medication initiation	Lecturer Chavalit Chotruangnapa Faculty of Medicine, Mahidol University, Thailand
9:50 - 10:00	Refreshment Break	
10:00 - 10:40	The stroke comorbidities and current treatment concept: diabetes, dyslipidemia.	Prof. Apiradee Sriwijitkamol Faculty of Medicine, Mahidol University, Thailand
10:40 - 10:55	Closing remarks	Assoc. Prof. Yongchai Nilanont Faculty of Medicine, Mahidol University, Thailand
10:55 - 11:10	Conference certification pickup	
11:10	End conference	

ลงทะเบียน ติดต่อสอบถาม 02-419-7164, 02-414-1818 จ. - ศ. เวลา 08.30 - 16.00 น.
